March 1, 2023

Honorable Governor J.B. Pritzker and Members of the General Assembly:

On behalf of the Illinois Commission on Equity and Inclusion (CEI) I am pleased to present to you the Fiscal Year 2022 Annual Report for the Business Enterprise Program for Minorities, Women, and Persons with Disabilities. As codified in 30 ILCS 574/40-1, the Commission on Equity and Inclusion was formed effectively January 1, 2022. By statute 30 ILCS 575/8f of the BEP Act, the Commission on Equity and Inclusion submits to the Governor and General Assembly the BEP Annual Expenditure Report.

This report provides a diligent review of the accomplishments made by the Business Enterprise Program, and the performance of State agencies and institutions of higher education that are subject to the BEP Act during Fiscal Year 2022. During Fiscal Year 2022, the State of Illinois spent \$1,156,587,597 in eligible contract dollars with BEP certified vendors. In addition, the Business Enterprise Program had 3,315 certified vendors: the highest number on record since our existence.

BEP continues to conduct stakeholder outreach through virtual events and have ramped up our in-person activities as Covid-19 restrictions have lessened, to ensure that businesses owned and operated by Minorities, Women, and Persons with Disabilities have access and opportunity to participate in State procurement.

While we value the growth seen in 2022, we are focused on making significant improvements through professional consultation, strategic outreach, and capacity building initiatives. We will establish new partnerships and expand on existing relationships within the business community as we ensure equitable processes and review our compliance practices.

The Business Enterprise Program is poised to create amazing opportunities for disenfranchised and underrepresented businesses with the success of programs such as the Mentor Protégé Program (MPP). MPP works to foster the development and mentoring of Minority, Women, and Persons with Disabilities-owned businesses and enables experienced firms to provide various types of support to create more equitable access for economic growth while meeting the State's BEP contracting goals.

We are motivated to increase intentional collaboration with agencies, stakeholders and partners, while executing a robust strategic plan.

Respectfully,

A handwritten signature in blue ink that reads "Kellye A. Keyes".

Executive Summary

The Commission on Equity and Inclusion submits to the Governor and General Assembly a BEP Annual Expenditure Report which outlines the qualified State dollars spent subject to the BEP goal, provides a review of the accomplishments made by the Business Enterprise Program, and illustrates the performance of State agencies and institutions of higher education that are subject to the BEP Act during Fiscal Year 2022. The Business Enterprise Program continues to support, promote and encourage the economic development of minorities, women, persons with disabilities, veterans and service-disabled veterans participating in state procurement as both prime contractors and subcontractors.

Through engagement and collaboration with other State agencies, institutions of higher education, community colleges, and our stakeholders, the Business Enterprise Program seeks to expand its impact by increasing participation in State contracting opportunities. As COVID-19 cases decline, BEP will continue facilitating procurement access and increasing opportunities for disadvantaged entrepreneurs.

Fiscal & Program Accomplishments

A BEP certified vendor is defined as a business which is at least 51% owned by one or more minority persons, one or more women, and/or one or more persons with a disability and the management and daily business operations of which are controlled by those persons.

The Business Enterprise Program set programmatic records during Fiscal Year 2022 by increasing the number of BEP certified vendors awarded contracts via 16%. 1,438 BEP certified vendors received State contracts. The number of certified BEP vendors also increased during Fiscal Year 2022 by 2%. As a result, the pool of certified BEP vendors eligible to participate in state contracts grew even though there was attrition due to pandemic related business closures. For the first time Illinois has spent more than a billion dollars with BEP certified vendors.

The dollars subject to goal increased 185% from \$4,955,174,823 in FY2021 to \$14,130,167,167 in FY22. However, BEP expenditure of dollars subject to goal fell from 17.9% to 8.2% during the same time period. The reduction is largely due to the disproportionate multi-year growth of the DSG in comparison to smaller growth of BEP certified vendors.

While we value the growth seen in 2022, we recognize the need to and are focused on making significant improvements through business process and communication modifications, strategic outreach, and capacity building initiatives. We will establish new partnerships and expand on existing relationships with the business community, as we ensure equitable processes and review compliance practices.

Operational Accomplishments

Compliance

The Compliance Unit regularly conducts outreach and attends pre-bid conference to ensure congruence with BEP Compliance Unit standards.

CEI has future plans to revise the goal setting and review forms. These enhancements coupled with the current improvements to utilization plan will aid in State procurement process participation and conformance to BEP programmatic guidelines.

CEI is expanding the number of staff working in our compliance unit to ensure compliance with BEP goals. We also anticipate increasing collaborations with our sister state agencies, community partners and stakeholders.

Certification

BEP's Certification Unit has successfully certified 3,315 vendors during Fiscal Year 2022. The BEP vendor base has increased through the program staff's targeted email campaign, virtual office hours, and webinars to potential vendors across the State of Illinois.

The number of certified vendors increased with the passing of Public Act 102-0585 in June 2022, also known as the red tape reduction Act HB132; which allowed businesses certified as minority-owned or women-owned businesses by the City of Chicago and Cook County to also receive recognition by the State of Illinois BEP program. In an effort implement Public Act 102-0585, CEI created a new certification type - Be Enrolled in BEP (BE BEP). Vendor businesses certified as minority- owned or women-owned by the City of Chicago and Cook County are now automatically being enrolled as a certified BEP vendor.

CEI plans to expand the topics covered during its weekly Virtual Office Hours offered to vendors by the Certification Unit. Moving forward vendors will be able to obtain both general information about the program as well as detailed technical assistance. The Certification Unit will remain positioned to enhance the BEP vendor pool by identifying new avenues to infuse equity into certification processes.

Outreach

The Outreach Unit has made several strides in furthering its reach and operations. The Unit standardized its procedures to receive, select and process outreach participation requests. Social media was utilized as a communication and collaboration platform with other agencies and community partners.

Despite personnel shortages resulting from attrition caused by the implementation of the Commission on Equity and Inclusion Act, the BEP Outreach Unit participation in remained steady at 74 events during fiscal year 2022. The Outreach team continues to work closely with the Mentor Protégé Program as they connect with new partners to deliver resources and opportunities to BEP vendors.

Mentor Protégé Program

The Mentor Protégé Program (MPP) continued its programmatic buildout, remaining focused on creating capacity and growth opportunities for emerging BEP certified vendors.

MPP collaborated with internal and external stakeholders during Fiscal Year 2022 to identify interested participants for the Mentor Protégé Program. The Mentor Protégé Program partnered with the Compliance Unit to establish strategies for potential MPP engagement in current and future State of Illinois contract solicitations.

Sheltered Market Findings

Sheltered Markets are a procurement procedure in which certain State contracts are selected and specifically set aside for businesses owned and controlled by minorities, females, and persons with disabilities through competitive solicitations. Through this process, Sheltered Markets initiatives work to advance parity in State contracting for these groups. Pursuant to 30 ILCS 575/8b of the BEP Act, the Council shall report on any findings made pursuant to this section. There were no findings made during the 2022 fiscal year.

CEI endeavors to expand the Sheltered Workshop Program in collaboration with State agencies and CMS.

Outlook for Fiscal Year 2023

The Business Enterprise Program remains devoted to providing quality programs and service with excellence. We are continuing our efforts to increase the number of BEP certified vendors while expanding BEP participation in State contracts.

CEI is expanding the number of staff working in our compliance unit to ensure compliance with BEP goals. We also anticipate increasing collaborations with our sister state agencies, community partners and stakeholders. As the pandemic numbers continue to decrease, and we return to a level of normalcy, the Outreach Unit will begin to host more stand-alone programming and educational events for the BEP program.

We remain committed to implementing the necessary changes for stakeholder success.
