

Illinois Commission on Equity and Inclusion

Nina Harris, Chairperson
Robin Streets, Interim Executive Director
115 S LaSalle Street, Suite 4-N Chicago, IL 60603

August 18, 2026

Members of the General Assembly,

On behalf of the Commission on Equity and Inclusion ("CEI), I am pleased to submit this report to the General Assembly, as required under 30 ILCS 500/20-60(c). This report details information gathered by CEI regarding contract extensions and renewals exceeding \$249,999 during fiscal year 2026. CEI's role under Section 20-60 is procedural and administrative. Its authority is limited to reviewing whether the required 14-day public posting period has been met and, where appropriate, objecting to the waiver of that posting period. CEI does not waive supplier diversity goals, nor does CEI evaluate or alter the underlying procurement decisions made by the Chief Procurement Officers under this section.

CEI is committed to promoting equitable and inclusive procurement practices across Illinois. This report enhances transparency and provides the General Assembly with the necessary information to effectively oversee contracting activities. CEI's mission is to maximize supplier diversity, by facilitating access to contracting opportunities and developing procedures and initiatives that make the procurement process inclusive, fair, and equitable while providing support, education, and mentorship. CEI's vision is to be a trailblazing leader in fostering an inclusive procurement environment where supplier diversity is celebrated, and opportunities are accessible to all, driving positive social impact and economic growth.

CEI is dedicated to transformational community progress and fulfilling its statutory responsibilities while fostering collaboration with various internal and external stakeholders. This includes engagements with the four chief procurement officers, state purchasing officers, agencies, boards, commissions, and public institutions of higher education to align strategies and initiatives with the broader statewide supplier diversity goals. CEI's external stakeholders encompass certified vendors, non-certified businesses across the State eligible for Business Enterprise Program and Veterans Business Program certification, various industry organizations, numerous prime vendors, and legislators. This extensive network of stakeholders is a crucial part of CEI's collaborative efforts to promote diversity, equity, and inclusion in Illinois' procurement landscape.

We will continue leveraging data-driven insights and stakeholder feedback to refine supplier diversity strategies and processes, focusing on enhancing supplier diversity, equity, and inclusion across all facets of the procurement process. Through ongoing collaboration and a shared commitment to our mission, we are confident that we can create meaningful and lasting change that benefits all stakeholders involved in Illinois' procurement landscape.

Respectfully,

Robin Streets
Interim Executive Director

Executive Summary

Pursuant to Section 20-60(c) of the Illinois Procurement Code (30 ILCS 500/20-60(c)), the Commission on Equity and Inclusion ("CEI") is required to file an annual report with the General Assembly by August 1 of each year. This report identifies, for Fiscal Year 2026, (i) the proposed contract extensions and renewals filed with CEI by the State's chief procurement officers, and (ii) the current status of these extensions or renewals, i.e., whether CEI objected to the 14-day posting period of any such extensions or renewals prior to execution.

The reporting obligation under Section 20-60(c) applies to any contract extension or renewal for which the associated cost exceeds \$249,999. Under Section 20-60(c), a chief procurement officer is required to file notice of a proposed extension or renewal with CEI prior to entering into such action. CEI retains authority to object to any proposed extension or renewal within 14 calendar days of filing and, where an objection is raised, to require a hearing before the Commission prior to execution.

CEI's review under Section 20-60 is strictly limited to the posting period. CEI does not assess the merits of the procurement action itself. CEI's sole authority is to object to the waiver of the mandatory 14-day posting period.

The conditions set forth in Section 20-60 do not apply universally. Contracts procured under Article 40 of the Code, emergency procurements, and procurements otherwise exempted pursuant to Section 1-10(b) are not subject to the filing and review requirements described herein. Additionally, pursuant to Section 20-60, contracts paid for in whole or in part with federal-aid funds, grants, or loans are exempt from the requirements of this subsection where compliance would result in the loss of those federal funds; in such cases, the applicable chief procurement officer is required to file notice of the exemption with CEI prior to entering into the proposed extension or renewal.

The data presented in this report was compiled from submissions made directly to CEI by the four Chief Procurement Officers of the State of Illinois:

- Chief Procurement Officer for General Services
- Chief Procurement Officer for Higher Education
- Chief Procurement Officer for the Department of Transportation
- Chief Procurement Officer for the Capital Development Board

Each CPO was responsible for gathering and submitting data from their respective records in accordance with CEI's reporting requirements. This methodology ensures that the information contained herein reflects primary-source documentation from the offices responsible for each procurement action and facilitates direct accountability and legislative oversight consistent with the General Assembly's intent in enacting Section 20-60. The analysis that follows is based on the waiver and exemption data provided to CEI.
